Youth Transit

Registration

Yankton Transit requires that all youth passengers are pre-registered before they begin riding. This is required as a precautionary measure to make sure that:

- The parents/guardian is aware that their child is riding the bus
- We have permission to transport that child
- We have emergency contact information if needed

Parent Ride Along

We offer parents a chance to chaperone the buses while youth are being transported. Anyone who is interested will receive a discount please call our office if you would like to do this.

Concerns

Any concerns regarding transportation need to be addressed by the child's legal guardian only.

Youth Transit

Passenger Suspension

Any misconduct on the bus will result in a warning and a parent or guardian will be notified. If the problem persists the rider will be suspended. The length of suspension will depend on the seriousness of the misconduct.

No Show

All passengers must arrive at the bus within a three minute time frame, or the ride will be considered a "no show". One of the reasons we have this policy is to keep our routes as efficient as possible. After a "no show" if the passenger still wants a ride, they will have to wait until their new ride can be fit back into the schedule, and the passenger must pay the fare of the missed ride. After three "no shows" the ride will be canceled and you will need to call to reschedule the ride.

Drop-offs

Yankton Transit requires there to be an adult at the destination to receive your child. If there will not be an adult at the destination, you will need to complete that portion of the registration form stating this. If you would like us to see an adult, make sure the daycare or adult at the destination is aware of this.
